

# PHILIPPINES MISSION 2018

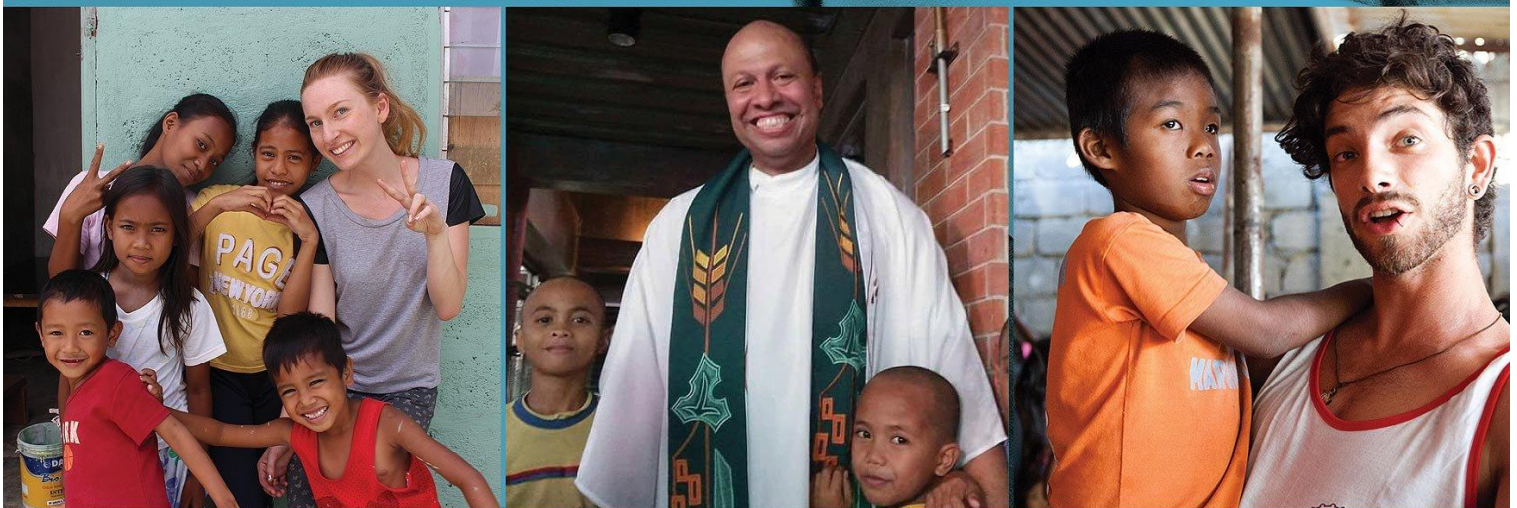

Mission changes us. It shifts our way of seeing the world, and life. It helps us to be more fully ourselves. It fills us with joy and hope.

In January 2018, join other young adults for a ten-day immersion experience with the poor in Manila, the Philippines. Working with some inspiring organisations in Manila, we will spend time helping rebuild/renovate houses for poor families, visit and serve vulnerable children, and engage with people in the wider community. There will also be time for prayer and reflection, and chances to relax together as a team.

**With Chaplain Fr Paul Uwemedimo MGL**
